OLD BUSINESS

A short discussion was held in regards to manning a booth during the annual County Fair. Pet mentioned he would talk with SAR members about it. Community Days was also discussed and it was mentioned that any member could possibly set up with their mobile rig if they had the time to do this. These two items should be discussed, with a chairperson designated at the June Meeting.

Ed asked Jane for the results and a report on finances for the year 2008. Jane will submit a report at the June meeting.

The June meeting is when we are suppose to vote upon the proposed By-Laws amendment, which had been tabled until the June meeting.

Ed reminded those present that we need to get things in order for volunteers for the Soroptimist bike ride as soon as possible.

BIKE RIDE VOLUNTEERS NEEDED, ASAP!

NEW BUSINESS

New member, Burt Rooke, N7OW, SHOWED SOME QRP rigs that he built; a keyer, 20 & 40 meter transceivers & tuner. Burt also asked the group a couple of questions;

1. What frequency do you go to in an emergency?
2. What connectors do you use for your radio rigs?

He felt these were the most basic questions for emergency preparedness and folks should stay with a standard for these topics. Burt felt the Anderson connectors should be standard and will give a presentation at the June meeting.

Donations were; geranium brought by Nancy, scrubbers and homemade biscuits made by Maxine KB7USS, stripped bag and poster donated by Walter N7PHW. Winners were Jeff, Loren, Jane, Norm N7UND and Pete KD7YOP. \$12.00 was made from the raffle.
